Dear [Redacted]

You spoke yesterday to John Roberts concerning the Department's views on Enrolled Bill H.R. 12240, providing FY 1979 authorization for the Intelligence Community agencies. This will advise that the Department confined its comments to OMB to Title I, noting that the amounts authorized for the relevant activities of this Department are consistent with our budget request and recommending approval from that standpoint.

It is understood that an Intelligence Community views letter is being developed. We would appreciate the opportunity to review and comment on the letter prior to submission to OMB. To expedite matters, please call Peter Brush, 376-4258, our Acting Assistant General Counsel for International Development & Defense Programs.

Sincerely,

  
John Cho, Acting Deputy Assistant  
General Counsel for Legislation
